On Monday, May 25th, 2009, a full field of golfers enjoyed a beautiful sunny day at Thornhill Golf & Country Club for the York Central Hospital Foundation's Proud Partners Classic. The evening was full of music and laughter enjoyed by all. Thank you to our MC Rod Black (TSN) for bringing the room to a crescendo of laughter from one moment to the next. A perfect Day! Thanks to our generous sponsors, participants, auction donors and volunteers, the tournament was a great success, raising \$96,000 to purchase state-of-the-art life saving medical technology for the Emergency Department at York Central Hospital.
