

2009 March > Central Bistro Grand Opening

York Central Hospital officially opened a new and exciting dining concept recently that offers their patients, visitors, staff, and physicians and volunteers a much improved dining experience. The Central Bistro offers made-to-order hot entrees, gourmet coffees and deli sandwiches, a delicious selection of fresh fruit and baked goods, a 20 foot salad bar and much more - all served in a welcoming and contemporary bistro atmosphere. The bistro will also serve brand names such as Pizza Pizza and Booster juice. Next time you are in the area make sure to stop by for a quick bit.
