Over \$36 Million Reasons to Celebrate... You Did It!

"Congratulations and thank you for responding to our *Share the Spirit of Care Campaign*. Together we have surpassed our \$35 million goal and have provided York Central Hospital with the financial resources to complete Phase I of our redevelopment and expansion initiative," said Stan Neal, Campaign Chair.

"We salute the thousands of donors and volunteers in our community representing individuals, corporations, foundations, service clubs, event participants, employee charitable giving groups and government who generously contributed to the *Share the Spirit of Care Campaign*," said Neal.

With your gifts: we purchased our first on-site Magnetic Resonance Imaging (MRI) Scanner reducing patient wait times and enabling about 4,000 patients annually to access an MRI examination locally; opened a new Satellite Dialysis Unit in Oak Ridges, doubling the program and bringing this life-sustaining treatment closer to home. Also with your support, in April, we were pleased to open a state-of-the-art Family

Construction of all five floors of the new Town of Richmond Hill Acute Care Wing is almost completed. A "Topping Off" ceremony will be held on October 22nd at the Hospital to acknowledge the milestone of reaching the past-the-halfway mark of Phase One construction. At this event we will also be celebrating surpassing the financial goal of the *Share the Spirit of Care Campaign*.

Birthing Centre for expecting moms to safely welcome their babies (please see article below for facility highlights).

The Emergency Department is under

construction and when complete, will triple in size to 21,000 square feet providing the necessary space to better meet the needs of our growing community. Plans are in progress to: revitalize the Diagnostic Imaging Department including the addition of a new Breast Health Centre; expand the Mental Health Program; improve the Chemotherapy and Medical Day Unit; enlarge the Pediatric Unit; and construct new patient care rooms.

Endorsed and supported by the regional and provincial governments, this is the largest redevelopment and expansion project the hospital has undertaken since opening its doors in 1963. In 2009, when Phase I Projects are complete, nearly every patient care area will have undergone physical changes to expand and improve health care services for our community.

Thank you, together we are ensuring that people living in southwest York Region have access to better health care.

(Refer to page 3 for donor listing).

York Central Hospital's Family Birthing Centre

The birth of a baby is truly one of life's little miracles. York Central Hospital now has the capacity to provide state-of-the-art pre and postnatal care for 3,200

Donors cutting the ribbon at the official opening of the Family Birthing Centre on April 23rd: L-R: Linda and Greg Miklas (Hospital Foundation Past Chair), Guy Prentice representing Progressive Moulded Products Limited, Dave Weldon (Hospital Board Past Chair), Rosie Yeatman, Rosanne Maiurro, Carolyn Longo and Marie Iuglio from Longo's Family Charitable Foundation and Elisabeth Macmillan and Charles Barker.

babies and expectant mothers each year. The new Family Birthing Centre includes eight Birthing Suites featuring home-like decor and private ensuite bathrooms, two Operating Suites, a Triage Area and Fetal Assessment Room, a Neonatal Resuscitation Room and Maternal Fetal Medicine Clinic.

York Central is now one of the few community hospitals in Ontario to offer a full-time, on-site Maternal Fetal Medicine Service, 3D/4D Ultrasound Technology and a Pediatric Cardiologist with expertise in fetal echocardiography.

The new Family Birthing Centre at York Central Hospital delivers something that every parent wants – the environment and expertise that offers a special welcome to the newest member of their family.

SHARE THE SPIRIT

Michael and Sue Burns Host a Celebration

On September 19th, *Share the Spirit of Care Campaign*, Honorary Chair, Michael Burns and his wife Sue hosted a party for

L-R: Michael and Sue Burns share a moment with Shirley Hicks

Campaign Volunteers and lead Donors to celebrate raising over \$36 million for Phase I of York Central Hospital's redevelopment and expansion.

Michael was one of the first volunteers to be recruited by Campaign Chair, Stan Neal. Leading by example, Mr. and Mrs. Burns stress the importance of supporting their local health care institution to ensure their family, friends and community have access to services and that York Central Hospital will be there when needed the most.

We thank Michael and Sue for being gracious hosts and opening their home to help us celebrate this significant milestone and also to acknowledge the vital role of those whose unwavering commitment over the past six years has made this success possible.

Every gift to the *Share the Spirit of Care Campaign* is important and appreciated. We look forward to bringing together all who generously contributed to the Campaign on October 22nd at the "Topping Off" ceremony at York Central Hospital.

SAVE THE DATE

*Share the
Spirit of Care*
5k Run/Walk

Thanks to sponsors and participants over \$100,000 has been raised for the purchase of priority equipment through this event. The 3rd *Share the Spirit of Care* 5k Run/Walk will be held on Saturday, May 3, 2008 at Richmond Green Park.

Save the date and join over 700 of your community friends for a fun morning and to support our Hospital.

* In Memoriam

Every gift is important and appreciated. Due to space restraints we are only able to publish gifts of \$5,000 and above. Thank you to everyone who contributed to York Central Hospital's redevelopment and expansion.

SPOTLIGHT ON... COMMUNITY FUN(D) RAISERS

Thanks to the following businesses, individuals and community groups who, since the last issue of Foundation Facts, have had special events to raise funds on behalf of **YORK CENTRAL HOSPITAL FOUNDATION**.

M.C. SIFTON POLO CHALLENGE CUP – The Annual M.C. Sifton Polo Challenge Cup has raised over \$42,000 in support of the Hospital's Regional Dialysis Program. Funds from this event have been directed to the purchase of patient televisions and a Site Right Ultrasound machine.

Polo Players and Ponies in full competition.

RBC FUNDS CHEMOTHERAPY CLINIC – The Royal Bank of Canada (RBC) York Region Branches directed funds raised during their Customer Appreciation program (June 11 to 22) to purchase an aquarium and portable DVD players for the soon-to-be redeveloped Chemotherapy Clinic. This effort corresponded with RBC Foundation's final installment of their \$250,000 pledge that is helping fund the new Clinic.

L-R: Councillor Greg Beros, Mayor Barrow, Nancy Coxford, Maria Bosnjak and Amedeo Perfetto at the opening of the Oak Ridges RBC Branch.

PEEK GOLF TOURNAMENT FOR MENTAL HEALTH

– The 8th annual James Peek Memorial Golf Classic, held in memory of James Peek, took place on June 30th. Randy and Carolyn Peek's family and friends continue to make this a special day to honour James and to raise funds for our Mental Health Program. With the \$27,000 from this year's tournament, the event has now raised over \$120,000. Our Mental Health Program is stronger now because of the generosity of these dedicated donors.

L-R: Ryan, Sean and Randy Peek, Linda Chown, Michelle and Carolyn Peek and Teresa Armstrong.

AN ATM THAT RAISES MONEY FOR YORK CENTRAL HOSPITAL...IMAGINE THAT!

On May 18th **C.I.M.S. PHARMACY, YORK CENTRAL HOSPITAL FOUNDATION AND HOPE ATM** announced the launch of a new concept in the private banking industry. C.I.M.S Pharmacy and Hope ATM will be donating a portion of the ATM fee that is charged to raise money for York Central Hospital Foundation. Thank you to Mr. Haroun of C.I.M.S. and everyone from Hope ATM.

RED RIDE SUPPORTS DIALYSIS UNIT – The ACME Motorcycle Club's Red Ride 2007 event, held on June 10th, raised \$2,225 for our Dialysis Unit.

The funds will go towards the purchase of ambulatory blood pressure machines. We congratulate organizer Styles Weinberg and ACME Motorcycle Club for a successful event.

FIRST TIME BARN RAISING EVENT – Thanks to the many dedicated friends in the community and Marion and David Hill, \$8,000 was raised for the Hospital and the Richmond Hill Historical Society from this unique first time event. The Barn Raising event included a traditional country lunch, musical performances by the Toronto Banjo Band & Barbershop Quartet ONYX, historical displays and silent auction. Most enjoyable was the perfect setting of Mr. & Mrs. Hill's home. Thank you and congratulations to the organizers.

L-R: Marion Hill, Andrea Koulish and Cheryl Butler

Penny Parmenter

MARC SANTI GOLF TOURNAMENT – Once again a sell-out crowd supported the 7th annual Marc Santi Golf Tournament. Held August 20th at Station Creek Golf Club, the event raised \$20,000 for the Marc Santi Foundation. The Santi Foundation has donated \$25,000 to fund needed medical technology through York Central Hospital's *Share the Spirit of Care Campaign*.

Many thanks to **HBC CORPORATION** for their generous donation of \$1,000 raised through the sale of gift boxes, bags and teddy bears at Zellers and The Bay in Hillcrest Mall.

STAG RAISES FUNDS FOR STROKE PATIENTS! Michael Baldassarra donated \$36,000 in proceeds raised at his recent stag. This incredible gift went to purchase rehabilitation equipment that assists stroke patients at York Central Hospital. The gift was made in honour of his mother Angela.

L-R: Michael Baldassarra, Angela Baldassara, Foundation Chair Nancy Coxford, Carlo Baldassara & Michael's wife Melissa.

EXTENDICARE

Thanks to **EXTENDICARE**, our partner in healthcare for raising \$60,000 this past year for York Central Hospital. On March 22nd, 2007 they hosted a fundraising dinner at Eagles Nest Golf Club. On June 7th, 2007 they hosted their fourth annual Extending Our Care Dinner & Auction at Desserts Plus in support of the Emergency Program's Nursing Triage Station.

Our grateful thanks to Co-Chairs Joseph Gulizia and Linda Long, and their team: Michael Griffin, Magda DiMaria & Carmen DiMauro.

JEFF WEISBROT is thrilled to announce the launch of his new CD "Next Steps" in collaboration with **DAVID SASLOVE**. All original music, both David and Jeff play live piano and guitar with David's wife, **CHERYL ACKERMAN** playing flute. Jeff is a Pediatrician and David, an Emergency Room doctor, who have worked at York Central Hospital for almost 20 years. They are proud to donate a portion of the proceeds from the sale of these CDs to York Central Hospital Foundation. If you would like to purchase the CD for \$15, please contact the Foundation office at 905.883.2032.

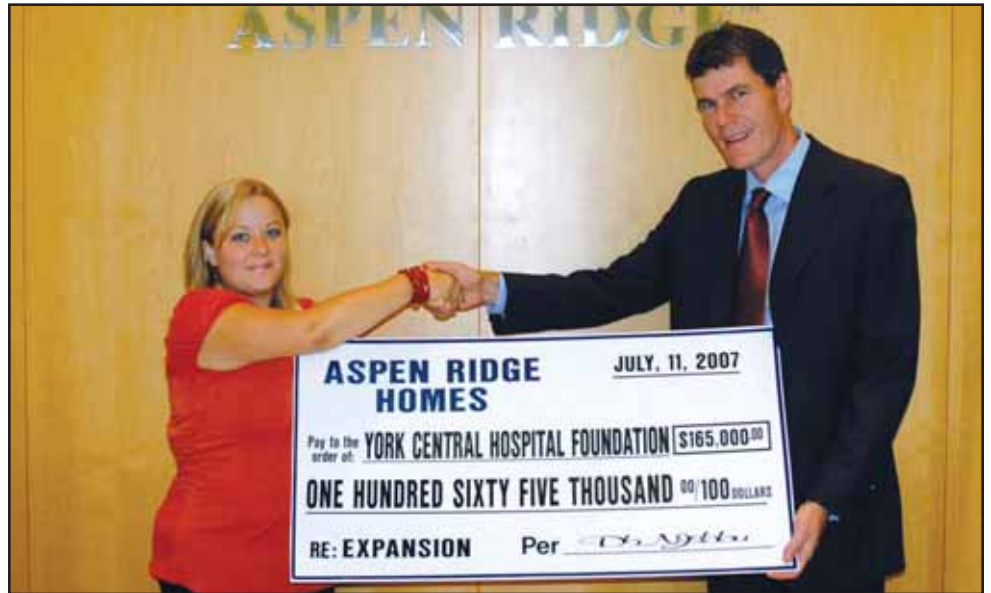

DENTIST SUPPORTS EMERGENCY! – Richmond Hill dentist **DR. SHELINA JESSA** recently made a \$2,000 gift to fund a new plasma television for the Nurses Training Room in York Central Hospital's Emergency Department. All staff from our busy Emergency Department appreciates and will benefit from your generosity. Thank you Dr. Jessa!

Aspen Ridge Homes Supports Expansion

Lisa Zabizewski, representing Aspen Ridge Homes principals Andrew DeGasperis and Freddy DeGasperis Jr., presents the Foundation's Bill Leacy with a generous cheque for \$165,000 in support of the Hospital's expansion. York Central Hospital is honoured to have the support of Aspen Ridge Homes. Not everyone is aware that the Ministry of Health pays for 90% of new Hospital construction but none of the new equipment needs. It is only through the generosity of people like Andrew and Freddy, and the entire Aspen Ridge team, that York Central Hospital's staff and physicians will be equipped with life-saving medical technology to care for our growing community.

We are grateful!

Ask an Expert – What is the Difference between a CT Scan and an MRI?

Both Computerized Tomography (CT) and Magnetic Resonance Imaging (MRI) are imaging techniques that use powerful computers to create images of the inside of the human body. The CT scan will range in time from 30 seconds to about 5 minutes. The MRI is much longer ranging in time from about 20-40 minutes. The CT scanner is quiet whereas the MRI scanner does create noise during image acquisition. If necessary, mild hearing protection can be utilized.

CT uses intermittent X-rays that are passed through the body to create images. An MRI uses a powerful magnet where radio waves are passed through the body and a computer listens to the resulting echoes and forms them into coherent images.

In the CT room, only metal in the examination area will interfere with the images, while the MRI magnet will de-magnetize credit cards, break watches and, more importantly, affect pacemakers and can even cause shrapnel or other metal inside the body to move. Well-secured metal such as dental fillings are safe to go into the magnet.

Some of the more common indications for CT scans are:

- Headaches – to look for brain tumors; stroke, bleeding in the brain, or other causes of increased pressure on the brain
- Back pain – to look for disc herniation or narrowing of the bony canal in the lower back
- To detect cancer and to assess for any potential spread of the cancer

Some of the more common indications for MRI scans are:

- Joint evaluations to assess for cartilage or ligament damage especially in the knees and shoulders
- Abdominal and pelvic scanning often as a complement to CT to detect abnormalities within the female pelvis. Breast MRI can be used as a complement to mammography or ultrasound
- Evaluation of the blood vessels, especially in those cases where allergy to intravenous contrast or poor kidney function prohibits conventional angiography.

- Closer evaluation of the brain or entire spinal cord to assess for stroke, tumor, multiple sclerosis, or disc herniation, etc.

*Dr. Gary Hochman,
Chief of Diagnostic Imaging*

New Chair & Board Members for York Central Hospital Foundation

Nancy Coxford

Committee. She recently served as Chair of Communications for the Foundation's successful \$35 million *Share the Spirit of Care Campaign*. Aside from Hospital activities, she also serves on the Board of the Varley-McKay Art Foundation. Nancy is a long time resident of Richmond Hill.

We are also pleased to welcome the following new board members:

David Bannister was appointed to the Board in June, 2007 as the new Chair of the Board of Trustees of York Central Hospital. He was first elected as a Trustee in 1999. Since that time, he has served as Vice Chair of the Board and Chair of the Operations Committee and Governance Committee of the Board. He also chairs the Redevelopment Committee of the Board and is a member of the Executive Committee. A resident of Richmond Hill, David is currently a Partner and Vice-President of Structural Engineering at Marshall Macklin Monaghan Ltd., a multi-disciplined consulting engineering firm.

George Seretis was elected to the Board in June, 2007. He is a long-time supporter of York Central Hospital and was first recruited to assist in the

Foundation's annual golf tournament in 2005. George also assisted with the Foundation's successful \$35 million *Share the Spirit of Care Campaign* in support of the expansion. George is Past President of the York Region Hellenic Community. He lives with his wife and family in Thornhill and owns Easy Plastic Containers Ltd.

Dr. Philip Solomon was appointed to the Board in June 2007 as Medical Staff Representative. He is Past President of the Medical Staff Association. Dr. Solomon is an Otolaryngologist Head and Neck Surgeon. He has a major practice interest in Thyroid Surgery and Parathyroid Surgery as well as Nasal and Facial Plastic Surgery.

Tina Tehranchian was elected to the Board in June, 2007. Tina is the Manager of Assante Wealth Management in Richmond Hill. Tina volunteered with the *Share the Spirit of Care Campaign* in support of the Hospital expansion and she has been involved with many charities. Tina lives with her husband and family in Unionville.

Patricia Young was appointed to the Board in June, 2007 as the Volunteer Association representative. Patricia is secretary for the volunteer office. Patricia also sits on the Volunteer Association Membership Committee and is back-up Treasurer for the White Rose Gift Shop.

York Central Hospital Foundation is pleased to announce that Nancy Coxford was appointed Chair of York Central Hospital Foundation in June, 2007. Nancy was first elected to the Foundation Board in 2000. Since that time she has served as a member of the Foundation's Donor Recognition, Gala and Strategic Planning Committees. Nancy has also served on the Hospital's Redevelopment

Donations Making a Difference!

During the past year, York Central Hospital Foundation was able to fund over \$2.4 million in life-saving medical equipment including:

Navigator System (Surgery) . . .	\$ 220,439.65
Truss Probe System (Surgery) . . .	\$ 112,320.90
Digital Mammography Suite (X-Ray)	\$ 151,530.00
Hospira Life Care Analgesia Pump (Surgery)	\$ 144,200.00
Self Locking Keyless Medication Carts (Pharmacy) . . .	\$ 115,693.16
Ultrasound Machine (X-Ray) . . .	\$ 201,772.34
Hysteroscopes (Surgery)	\$ 81,766.00
Wireless Transducer System (Pain Management)	\$ 85,300.08

We need your support this year to help us fund the following equipment:

Digital Mammography Unit (Diagnostic Imaging)	\$ 600,000
Electronic Tracking Board (Emergency)	\$ 500,000
Mobile C-Arm (Diagnostic Imaging)	\$ 150,000
Automatic Blood Transfusion System (Medicine)	\$ 150,000

Thank you to everyone!

The Healthcare system can be complex to navigate.

If you need information about services at York Central Hospital, our Foundation staff would be pleased to assist in finding the answers.

YORK CENTRAL HOSPITAL FOUNDATION'S 12th PROUD PARTNERS CLASSIC

Gord Wilson, Dr. Marty Richmond,
Gary Chown and Darcy Bristol

On Monday, May 28th, 2007 York Central Hospital Foundation held the 12th Proud Partners Classic at Thornhill Country Club.

Thanks to our generous sponsors, participants and auction donors, the tournament was a great success, raising over \$100,000 to help equip the desperately needed Emergency expansion at York Central Hospital. Since 1996, the 'Proud Partners Classic' has now raised over \$700,000 for new medical technology in virtually every area of York Central Hospital.
